

### 3. International Doğa BAP Student Conference 7-14 May 2022

#### EXPLICIT CONSENT DECLARATION

This Explicit Consent form has been prepared in accordance with the Turkish Law on Protection of Personal Data No.6698 to obtain explicit consent from the parent of a minor, in relation to the processing of personal data as explained in detail in the Clarification Text. As stated in the "Clarification Text" prepared by ARI INNOVATION, explicit consent is required for the processing and transfer of the minor's personal data, such as first name, last name, their school and school number, year grade, any publications and other work produced by the minor (lectures, homework, stories, pictures, photographs, poems, etc.); their appearance in still images, videos and sound recordings, etc. The processing of this data depends entirely on the free consent by the parent; lack of consent will not cause any damage or other negative consideration for the minor. Consent can be withdrawn at any time.

Based on the above and within the scope and context of the activities and conferences organised at school,

I consent

I do not consent

for the following to be processed [cross out the elements you wish to exclude] still images / video recordings/ audio recordings and to be stored within the scope of legal reasons by the methods specified in the disclosure text and to be transferred on servers abroad if the relevant platforms are hosted abroad, and to be published on [cross out the elements you wish to exclude] Facebook / Instagram / Twitter / YouTube / School Website platforms;

Date:

Signature:
